

Fun Services® wants you!!! Fun Services® wants to work with your school or organization to create an enjoyable holiday shop for students, parents, and volunteers. Our family works hard to make sure you have quality items, kid-sized pricing, and stellar customer service. We look forward to serving you in 2024!

We are committed to make this the best experience possible for your school, value your business and will do everything we can to make your shop a success. We want to offer you the best incentives, products, and service in the industry, so if you have questions regarding our policies or are looking for a particular incentive for your school, **please** never hesitate to ask. We are happy to create a **customized incentive program** for you. We will be offering all of our schools who sign up for the 2024 holiday shop program before **October 31, 2024, 10% cash back** - the best incentive in the business!

Profit Level - When selecting a profit level, for schools and organizations in Pennsylvania or West Virginia, please keep in mind that sales tax will be due with your invoice at the end of your shop (some schools choose the 6% profit level to offset this cost). This sales tax does not apply to schools that are outside of Pennsylvania or West Virginia. We offer profit levels of: 0%, 5%, 6%, 10%, and 20%.

FunTab Handheld Devices - We will continue to offer use of our FunTab handheld devices with a cash register application (returned at the end of your shop). These all-in-one devices allow you to scan items and produce a receipt for each sale. As always, we will continue to improve with software upgrades in the coming months to make them even easier to use for 2024.

No Inventory Shop - A No Inventory Shop works well for many schools. At the end of your shop, just report your money totals, return unused merchandise, and we will calculate your bill by comparing what we sent you, what was sent back to us, and your total dollar amount collected. **No counting inventory!!!**

Toys for Tots® - Fun Services will continue to partner with Toys for Tots® in 2024. Since the beginning of our partnership with Toys for Tots, the Fun Services owners have donated over \$1 million in cash and merchandise.

We firmly believe that we have the strongest incentives, most competitive overall pricing, new, quality core product line each year, and best technology. Stick with Fun Services®! We stand behind our products and will do our best to bring excellent customer service to every interaction.

We look forward to working together with you this year and for many years to come. We appreciate your business and commit to providing quality, reasonably-priced gifts for your students to purchase for their family and friends. Please do not hesitate to call us at **800-223-3877** or email us at **rtéal@funservicesonline.com** with any comments or questions you may have, or visit us online at **www.funservicesonline.com**.
